Dear Bill,

On behalf of the RCI Foundation, thank you and the North Texas Chapter of RCI for your generous gift of \$4,000! Thanks to the chapters, we received a total of \$36,900 cash donations at the Houston RCI Convention and Trade Show for the RCI Foundations. Everything in Texas was Bigger!

As you know, chapter support of the Foundation makes saying "yes" to sending college students each year to our RCI Convention and Trade Show, giving out scholarships to honor Bob Lyons and Lew Newlan or approving a new research grant on the building envelope is an easy decision. RCI chapters are the Foundation's greatest consistent donors.

Finally, we rely on the chapters such as yours not only for funding, but also, for ideas for future research, candidates for our scholarships, and information sharing of research results. Thank you for all you do to make the Foundation vibrant, dynamic and successful.

Sincerely,

Rick Gardner  
Development Officer

Thank you Bill!
